TWO NEW LACQUERS TO LIVEN UP ANY LOOK

NEW REFLECTIVE Rosé

Glistening with flecks of shimmery chrome, this decadent frosted metallic puts an ultra-chic, grown-up twist on pink. The diffused shine, mixed with a futuristic finish, make it a perfect day-to-night polish. Trendy yet hard to resist, it's like rosé for your nails.

NEW BELOVED Blush

Laced with subtle blue undertones, this cool cotton candy crème has spring written all over it. Just bold enough that it doesn't disappear against your skin tone, yet neutral enough to wear everyday. It's the Millennial pink polish of your dreams—with a high-gloss finish to boot.
